Upon arrival, join your fellow travelers on an open-air tram\* to view sites such as Yosemite Falls, Half Dome and El Capitan, as well as learn about the park's history, geology and wildlife. (B)

### Experience It! The Big Sur Coast

Witness the drama of the Big Sur coast unfolding right before your eyes...waves crashing onto the rocky shore...rolling hills giving way to massive cliffs...mile after mile of amazing scenery. Join us on an unforgettable adventure along California's most picturesque roadway.

Early settlers in Monterey often referred to the region where they lived as "El Sur Grande" or "the Big South." The term "Big Sur" is a simple mixture of English and Spanish. The Big Sur region is a 90-mile stretch of land that parallels Highway 1, starting in Carmel and ending in San Simeon. This scenic route serves up one of the most breathtaking drives in all of North America. This is where the mountains meet the sea. Wind your way along the jagged coastline and take in a view you will not soon forget.
